diko

Located in Medellín, Colombia, Dicoplast specializes in manufacturing high-quality injection-molded plastic boxes and covers for batteries. With over 25 years of experience, we are ISO 9001:2015 certified, ensuring top-tier quality and compliance with industry standards.

We offer a range of battery casings, including maintenance-free options, all designed to meet the required technical specifications and regulations. As a trusted supplier to Colombia's leading battery manufacturers, we also export to Central and South America.

Additionally, we provide custom plastic solutions tailored to our clients' needs. Our competitive pricing, extensive experience, and strong industry reputation make us the ideal partner for your battery packaging requirements.
